

Dear Coastal Bay Girls Softball Friends & Families,

Coastal Bay Girls Softball is a local non-profit organization, which provides a high quality softball experience for girls ages 5 through 14. Last year, we had 130 girls participate in our program and this year...

We've moved to a new field and merged with another league! Formerly La Jolla Girls Youth Softball, we have just merged with Mission Bay Girls Softball League. We now have over 200 girls playing softball this year, and we will be playing most of our games right in the village of La Jolla: at La Jolla Elementary School!

We are now **Coastal Bay Girls Softball League** and we use and maintain two softball fields: McEvoy Field in Mission Bay and La Jolla Elementary School in the heart of the village in La Jolla, on Girard Ave.

Seasonal registration fees cover basic expenses such as team uniforms, softballs, umpires, and routine maintenance of the fields. These fees do not cover facility repairs, safety improvements, large equipment purchases, or upgrades to our new home field at LJES. These are ongoing costs and they are why *we need your support*. Your additional donation and/or team sponsorship dollars will go toward numerous maintenance and improvement projects to the fields and facilities, including:

- electrical improvements
- storage sheds
- infield dirt & bases
- irrigation & drainage systems
- drainage improvement
- bleachers
- pitching machines
- repair backstops

With your help we can continue to improve the quality of the facilities and update the level of equipment used in practices. It is for this reason that we ask that you to take part in our community volunteer-based organization and make a donation today. Your tax-deductible support makes a difference in the experience of these young girls and lends itself greatly to their physical and mental development as well as their joy of the sport. Every little bit helps.

All donors will be listed on our website at www.lajollayouthsoftball.org. Donors at the Team Sponsorship level and above will see their name or company logo on a team's uniforms, receive a team sponsor photo-plaque, and company logo and link on our website.

Thank you for stepping up to plate for our young girls and for getting involved in our community. *Welcome to the team!*
